Product Description

ABENA's Wet Wipes for personal hygiene are made of polyester and viscose, which makes them extra soft and comfortable against the skin. Our wet wipes are a great alternative to traditional body cleansing with soap and water and, thanks to the pH value, they can be used all over the body. They easily and effectively remove impurities and unpleasant odors. ABENA Wet Wipes are available in different sizes and packages, which makes it easy to find the right solution for your personal needs. And of course, the wet wipes are extremely practical to take with you when you're on the go.
